PLA 6413-578  
from the Comptroller to the Govt of Mysore  
Submitting for transmission to the Honble the  
Resident in Mysore, an application for pension on  
behalf of Balaji Mulhar Naik late Mapper  
Mysore Revenue Survey

Note

Balaji Mulhar Naik is a lent  
officer and contribution has been  
paid on his behalf to the British  
Govt. His pension has to be sanctioned  
by the British Govt and is chargeable  
to the British revenues. A draft  
letter to the Residency transmitting  
the pension application for needful  
acting action being <sup>taken</sup> is out?

(ii) Contribution has been paid  
on pay Rs 50/- and pension  
has to be calculated upon that  
pay. (art 422 a). <sup>of the Mysore Regt</sup> calculated

to Rs 25/-, which the  
Comptroller has reported  
upon. The Superintendent  
Mysore Revenue Survey  
recommended in para 4 of his  
letter No. 194 d. 23<sup>rd</sup> Sept 1902  
to the Comptroller that Malhar  
Naik may be given a pension  
of Rs 35/-, the surplus Rs 10/-  
being borne by the Mysore  
Govt in recognition of the  
applicant's long and very  
useful services rendered to  
the State. This increased  
pension is calculated on the  
pay of Rs 70/- last drawn  
by Malhar Naik. Govt of  
Bombay have distinctly  
stated that any increase  
given to Malhar Naik since  
7<sup>th</sup> Jan'y 1889 should not  
count towards pension and  
that contribution should be  
levied on the net salary  
drawn by him on that  
date. It is therefore clear  
that

that any increase of pension  
over and above Rs 257. 8p

add to his pension without

Dewan's order on the draft

I am quite in favour. but the two ought not to be combined in one ref<sup>ce</sup>. Moreover why should we not leave it to the pensioner himself to apply for permission. This point requires careful consideration. To ensure sanction there must be a more elaborate letter. The first <sup>part</sup> of this may issue."

(Ind) P. N. K.

Accordingly, letter to the Presidency was issued making no mention of the additional pension claimed by Balaji Mulhar Naik. The Govt of Bombay sanctioned in their Pro. No. 1885 d. 2<sup>nd</sup> June 1903 the payment to him of a pension of Rs. 25/- per mensem. Now the Survey and Settlement ~~board~~ <sup>comr</sup> urges the claim of Balaji Mulhar Naik ~~and~~ for the additional pension and solicits special consideration of Govt. therefor. A draft, <sup>docketed to the Survey & Settlement Comr</sup> as per Dewan's order above is sub<sup>d</sup> for appl or other order.

Báláji Malhár Náik.

No. 1885.

FINANCIAL DEPARTMENT.

Bombay Castle, 2nd June 1903.

Letter from the Honourable the Resident in Mysore, No. 1721, without date—Forwarding an application for pension on behalf of Báláji Malhár Náik, late a mapper, Mysore Revenue Survey, together with a report dated 28th January 1903, from the Comptroller, Mysore Government, who states that a retiring pension not exceeding Rs. 25 per mensem is admissible to the above-named individual; and solicits attention to Article 470 of the Civil Service Regulations.

Government memorandum to the Accountant General, No. 1472, dated 23rd April 1903.

Memorandum from the Accountant General, No. P.—609, dated 13th May 1903:—

"Certified that (subject to the remarks below recorded) qualifying service in the superior grade counting from the 1st November 1863, has been duly proved for 38 years and 15 days, and that a retiring pension not exceeding Rs. 25 only a month is admissible under Article 28 (Note) and Articles 389 (a), 465, 474 (b) and 779 (b) of the Civil Service Regulations, Fourth Edition, and Government Resolution, Financial Department, No. 1120, dated the 9th March 1892. But the full amount admissible under the rules is not to be given as a matter of course or unless the service rendered is really approved (*vide* Article 470 of the Regulations). The calculations have been duly verified. The pension is chargeable to General Revenues and the Mysore State in the following proportions:—

| Rs. a. p. |    |   |                                               |
|-----------|----|---|-----------------------------------------------|
| 15        | 12 | 4 | chargeable to General Revenues of Government. |
| 9         | 3  | 8 | Do. to the Mysore State.                      |
| Total ... |    |   | 25 0 0                                        |

"2. Before the 1st November 1863, the date from which his service commenced in Mysore, the applicant is stated to have been employed in the British service in the Southern Marátha Country Survey from the 7th March 1863 to the 31st October 1863; but that service cannot be verified from any public records as the records of the Southern Marátha Country Survey for that period are stated to have been destroyed. No attempts appear to have been made to verify that service in accordance with the procedure laid down in Article 908 (e) of the Civil Service Regulations. The service for the period in question has, therefore, been disregarded and pension calculated by the rule of proportions for service in Mysore alone in accordance with the rules quoted above. If, however, Government be pleased to accept the service under the British Government for the period mentioned above, which cannot be verified from public records, on the strength of the remarks made by the Superintendent of Mysore Revenue Survey, in the History of Service on the second page of the application and in his annexed letter No. 194, dated the 29th September 1902, to the Comptroller, Mysore State, and the entries recorded in the service book, the applicant's qualifying service counting from the 7th March 1863 will amount to 38 years 8 months and 10 days, for which he will, subject to the provisions of Article 470 of the Regulations, be eligible for a retiring pension not exceeding Rs. 25 only, wholly chargeable to the General Revenues of the British Government (Articles 28 (Note), 389 (b) and 779 (b) of the Regulations).

"3. The Comptroller, Mysore State, should have attached to the pension papers a certificate from the Accountant General, Madras, for service from the 1st October 1882 (the date from which service in Mysore became foreign service) to the 9th August 1902, for which contribution was paid to the British Government.

"4. In the case of an officer in foreign service of the first kind, pension is calculated on the assumed pay, that is, the pay on which he contributed for his pension, and not upon the pay he actually received from his foreign employer

(Articles 755 (a) (ii) and 779 (b) of the Civil Service Regulations). This accounts for the difference in the amount of pension stated above and that proposed by the Deputy Superintendent, Mysore Revenue Survey, against entry No. 11 on the first page of the application for pension."

**RESOLUTION.**—The applicant's service from 7th March to 31st October 1863 is accepted and he should be granted a retiring pension of Rs. 25 per mensem, payable at Ránebennur in the Dhárwár Collectorate from the 10th of August 1902.

2. The pension should be charged to General Revenues.

To

The Comptroller in Mysore

Sir

I have the honor to forward, under Article 475 of the Mysore Service Regulations, the accompanying application, (with enclosures as specified in the margin) for Superannuation Pension on behalf of Balaji Malhar Naik, late a Mapper in the Mysore Revenue Survey.

2 As regards the applicants services prior to 1863 there are no records of the Deccan and S. M. Country Survey available owing to the destruction of the same (vide my letter No 759 dated 30<sup>th</sup> April 1902 on the case of pension of Mr Ling Malhar Naik, late Asst Supt

Supt Mysore Rev. Survey). The service however may, under the circumstances be taken as verified so far as the existing records (such as entries in the service book) admit of. I have not the slightest doubt as to, indeed am personally cognizant of, the accuracy of the service claimed, to which effect I have certified in the Col. "How verified" of the application in question.

3 The applicant has been actually retired with effect from the 10<sup>th</sup> Ult. from which date his Pension is to commence.

4. With regard to the amount of Pension (Rs 35), calculated evidently on the average of the Pay (Rs 70) last drawn by the applicant, I beg to recommend that as the

Goot

Government of India, have, in confirming the action of the Mysore Darbar in granting the increment of Pay from Rs 60 to 70, treated the said increase of Pay of Rs 10. as non pensionary increment (vide Pro. of the Govt of Mysore No. 8193-94 P & A 253 dated 6<sup>th</sup> September 1898) the share of pension payable by the Government of Mysore may be so adjusted as to bring the aggregate amount of Pension to the full amount of Rs 35 claimed, in recognition of the applicant's long and very useful services rendered to the State

I have to

Sd/- J. P. Grant

Supt. Mysore Riv.

36<sup>16</sup>

Col. J. P. Grant  
Supt Mysore Rev. Survey  
Bangalore.

The humble petition of  
Balaji Malhar Gaik, late  
a Mapper in Mr J L Mackay  
Asst Supt's Office, Rev. Survey  
Mysore, now residing at  
Kuppelur Taluk Ramnimmur  
Dist. Dharwar.

Most respectfully sheweth.

That he recently received a  
copy of Govt Resolution No 1885  
dated 2<sup>nd</sup> June 1903, Bombay  
Castle, Finant Dept, sanctioning  
a retiring pension of Rs 25 per  
mensem to him from the 10<sup>th</sup>  
August 1902, and that according  
to which his pension was calculated  
on the assumed pay of Rs 50 per mensem.

That he begs to state that his  
pay at the time, when he retired  
was Rs 70 p. m. and that he had  
drawn

17  
drawn at that rate for more than  
five years, his average salary for  
the purposes of pension being Rs 70/-  
according to the Article 16 of the  
Civil Service Regulations and entitl-  
-ing him to a pound sum of Rs 35  
pension.

That's already shown in G. R. No 1885  
quoted in the first paragraph of this  
application the humble petitioner's  
pension <sup>was</sup> sanctioned as calculated  
on Rs 50. per mensem and that a  
pension of Rs 10 on Rs 20 the dif-  
-ference (Rs 70 - Rs 50) which he  
solely claims from the Mysore  
Government as a token of his  
honest and faithful service rend-  
-ered to that Govt does not seem  
to have been sanctioned yet.

That the petitioner most respectfully  
and humbly begs to bring to your  
honors

honor's kind recollection the fact that your honor has once recommended to the Comptroller Mysore Govt for sanctioning the grant of an additional pension of Rs 10 per mensem (the subject of this application also) calculated on Rs 20 & solely chargeable to the Mysore Administration.

That the petitioner, in conclusion, most respectfully & humbly beg to request your honor to be so good as to forward this on to the Comptroller, Mysore Govt, with your honor's kind report on the subject, soliciting for the early sanction of the said moiety portion of his pension. For which act of kindness the humble petitioner as in duty bound ever pray.

Bombay Castle, 13th June 1904.

Letter\* from the Honourable the Resident in Mysore, No. 6196, dated 17th December 1903—  
Forwarding copy of the following letter No. P. & A.—1010, dated 3rd idem, from the  
Government of Mysore, General and Revenue Departments:—

“Adverting to your memorandum No. 2792, dated 16th June 1903, forwarding copy of the Resolution of the Bombay Government, No. 1885, dated 2nd June 1903, sanctioning a retiring pension of Rs. 25 per mensem to Báláji Malhár Náik, late a mapper of the Mysore Revenue Survey, I am directed to state that the pension sanctioned to Báláji Malhár Náik was calculated on the pay of Rs. 50 which he was drawing on the 7th January 1889. As his pay in Mysore was subsequently raised to Rs. 60 on 1st April 1889 and to Rs. 70 on 1st October 1896, the Government of His Highness the Mahárája are disposed to give him an additional pension of Rs. 10 per mensem, debitable to the Mysore Revenues in consideration of the increased pay drawn by him, and of the strong recommendation made by the Survey and Settlement Commissioner. I am, therefore, to request the favour of your obtaining the necessary sanction therefor.”

and making remarks.

Government memorandum\* No. 625, dated 16th February 1904, to the Accountant General.

Memorandum\* from the Accountant General, No. P.—5260, dated 26th February 1904.

Letter to the Government of India, Foreign Department, No. 1435, dated 19th April 1904:—

“I am directed to submit, for the favourable consideration of the Government of India, a proposal made by the Mysore State for the grant of a pension of Rs. 10 per mensem from the revenues of that State to Báláji Malhár Náik, late a mapper of the Mysore Revenue Survey.

“2. Báláji Malhár Náik entered the British service in the Southern Marátha Country Survey on 8th November 1860 and continued in it until 31st October 1863, after which date he served in the Mysore State up to his retirement in August 1902. For his qualifying service in the superior grade of 38 years a retiring pension of Rs. 25 per mensem was sanctioned\* to him by this Government, the pension being calculated on the assumed pay of Rs. 50, which he drew in 1889 when the new Foreign Service rules came into force, instead of on Rs. 70 which he actually drew for the last five years of his service. The pension has been made wholly chargeable to General Revenues in accordance with the provisions of Article 389 (b) of the Civil Service Regulations. The Mysore Darbár now desire to give the pensioner an additional pension of Rs. 10 per mensem, debitable to the Mysore Revenues, in consideration of the higher pay actually drawn by him and of the strong recommendation made by the Survey and Settlement Commissioner of that State. In the opinion of the Governor in Council there are sufficient grounds for exceptional treatment of this case. If the pensioner had continued in British service, he would probably have been granted a pension of Rs. 35 per mensem; and the case does not appear to be of the kind in which the objection of the Government of India to Native States supplementing the pensions earned by British officials in their employ applies. In view of the fact that the pensioner entered the service of the Mysore Darbár long before the rule contained in Civil Service Regulations Article 754 came into force, it is hard that the pension should be calculated on the pay drawn so far back as in 1889, and as the Mysore Darbár wish to remove the hardship, this Government do not see why it should be prevented. The offer of the Darbár does no more than make up to the pensioner what he has lost, and is but a few annas and pies more than the Darbár might have been called on to pay but for the provisions of Article 389 (b) of the Civil Service Regulations. In the circumstances, I am directed to request that you will be so good as to move the Government of India to sanction the grant of the additional pension of Rs. 10 per mensem as desired by the Mysore Darbár.

“3. I am to enclose a copy of Báláji Malhár Náik's application\* for pension.”

Letter from the Government of India, Foreign Department, No. 932-G., dated 23rd May 1904:—

"I am directed to acknowledge the receipt of your letter No. 1435, dated the 19th April 1904, recommending the acceptance of a proposal made by the Mysore Darbár to grant a pension of Rs. 10 a month, from the revenues of that State, to Báláji Malhár Náik, who was formerly a mapper of the Mysore Revenue Survey, in addition to the retiring pension of Rs. 25 a month chargeable to General Revenues, which he receives from the Government of Bombay.

"2. In the circumstances, the proposal is sanctioned as a special case."

RESOLUTION.—The sanction of the Government of India should be communicated to the officers concerned for information and guidance.

Under Secretary to Government.
